19" Open Frame Display

Designed for demanding environments, the Mimo 19" Open Frame series delivers a long life cycle, high resolution touch experience for a wide range of commercial and industrial applications. Featuring a molded front bezel to control dust and liquids, the Mimo Open Frame family makes the most of your digital world

Features:

- Windows 8 Plug & Play Touch Controller, USB
- Non-touch version has 2.4mm chemically strengthened glass in place of the PCAP sensor for added durability
- Multi-point capacitive touch screen optional (M19024C-OF)
- Fully compatible with Windows, Linux, and Mac OS

Applications:

- POP/POS
- Gaming and entertainment
- Kiosk information system
- Light industrial shop-floor automatic operation
